

DSm520pfl

The affordable and highly productive Rex-Rotary DSm520pfl combines print, copy, colour scan and G3 fax in a single, all-in-one solution, eliminating the need for expensive multiple devices. Its space-saving multifunctional design fits neatly on any desktop, where it quickly gets to work delivering professional looking documents on demand. The DSm520pfl's productivity boosting features, including automated paper handling and Electronic Sort, ensure even multi-page documents are handled effortlessly.

Small workgroups will welcome the convenience of one easy-to-use device to accelerate their essential document tasks.

Rex-Rotary's unique approach, links people with knowledge and expertise, combining our wide experience of innovative, document related Products and Software Solutions with our world class Business and Professional Services to deliver the best Total Document Solutions for your business.

Affordable multifunctionality for small workgroups

Four essential functions all in one device

Combining print, copy, colour scan and fax in one space-saving design makes the DS520pfl more cost-effective than four separate devices. Small enough to fit into any office, it enables busy workgroups to perform their essential tasks with minimum effort.

High quality and productivity as standard

The DS520pfl delivers high levels of document productivity with an impressive 20 pages per minute (ppm) print speed and fast copying, scanning and faxing. It enables you to quickly produce business quality documents with true 600dpi resolution and offers the flexibility of printing on different paper types.

You can easily save and store colour documents with the DS520pfl's versatile colour scanner that quickly captures colour images to your PC or a USB Flash Drive.

Extra productivity boosting features

The reliable DS520pfl further boosts multifunctional productivity with a fast warm-up time, automatic 'reduce/enlarge' features and 'Scan Once, Copy Many' technology. Copying and scanning multi-page documents is effortless with the 50-sheet Automatic Document Feeder, whilst up time is optimized by the maximum paper capacity of 550-sheets.

Easy installation and user-friendly functions

The DS520pfl is easy to install with simple desktop connectivity and compatibility with industry standard drivers. It also saves you

time with fast, user-friendly G3 Fax functions which include One Touch, Speed and Group Dial Keys that allow you to store frequently used numbers.

Outstanding Software and Services

Improving productivity, workflow efficiency and cost control is easy with Rex-Rotary. Designed to add value and ensure our devices operate seamlessly and reliably, we cover every aspect of your business from document management, network control and consultancy, to training and unrivalled support.

Aficio™

The Rex-Rotary DS520pfl bears the Aficio Symbol – your sign of digital technology, innovation and customer support in action.
